

Letter to Linde Gas, Romania

Dear Sirs ,

We herewith confirm that SC CRIOMEK SA Galati has performed the main part of civil construction for our new C3+ Recovery Plant in the Petrom Midia Terminal at Constanta. CRIOMEK has acted as General Contractor Civil together with the local companies GRIFFON and CONTRUST . The work has been performed corresponding to the valid specifications. The quality and the performance have been according Linde standard.

SC CRIOMEK SA has the necessary experience to manage a job of the size and standards as erected at Midia Terminal.
